

STUDENTS WELFARE COMMITTEE

The Students Welfare Committee seeks to provide support to the students in the educational process to advance their academic and personal abilities. It also aims to help the students overcome all personal, academic and social hindrances.

OBJECTIVES OF STUDENTS WELFARE COMMITTEE

- Listening to student problems and understanding what is required for their development in any manner.
- Improving the student-teacher relationship bond.
- Conducting periodic meetings to talk over students welfare by organizing activities and facilitating student interests.
- Managing the needs for extracurricular activities.
- Providing necessary guidance to students for associating with various technical communities.
- Organizing co-curricular activities for personality development.
- Addressing and solving various issues faced by the students.
- To help students with psychological issues achieve reconciliation with the self and the other.
